(Times are approximate and subject to change. More details and the finalized itinerary coming soon.)

Discover the basics that make Portland an intriguing city – for visitors as well as locals – on this tour that combines classic attractions and fun neighborhood treasures. Start the morning sampling donuts before we head out to visit the [Portland Japanese Garden](#) – said to be the most authentic such garden outside Japan (we agree). Then, wander along the cafes and boutiques on NW 23rd Avenue and visit [Powell's \(legendary\) Bookstore](#) before we go to the Mississippi District. There we'll enjoy an abbreviated [Forktown Food Tour](#), with a lunchtime visit to a brewery and a food cart pod, before capping our day at one of the city's great distilleries.
