Go West Adventure Day

Can't make it to one of our signature Go West Adventure Day activities? Don't sweat it. Reno Tahoe is jam-packed with awesome experiences begging to be discovered. Find fresh picks at the Outlets at Legends, feed your inner child at The Discovery, or sip local suds from nearly 20 nearby breweries. Getting around is a breeze; just about anywhere in town is within a 20-minute drive (usually less). Plus, North Lake Tahoe is less than an hour away from downtown Reno if you want a sneak peek or a full day at America's largest alpine lake.
